### TASTING NOTES

Our Rosé is created in the same style as the wonderful dry Rosés of southern France. The Rhone varietal grapes are harvested early to keep their crisp acidity and freshness that is the hallmark of this style. The juice is then slowly fermented at low temperatures to preserve its fresh fruit flavors and subtle spice.

The lush pink color invites you to delve into aromas of cantelope, tangy raspberry, and a hint of island spice. The unctuous mid-palate dovetails into a clean finish of Cara-Cara orange. Perfect for sitting poolside on a sunny day.
