TASTING NOTES:

The 2007 Morisoli Cabernet Sauvignon has a dark, almost black, purple color with a focused nose of blackberries, cassis, black cherries, allspice, and sloe plums along with pronounced graphite and cedar notes. Warm and inviting on the palate, this full-bodied wine shows deep flavors of perfectly ripe black and red fruits accented by sweet tannins, bright acidity, and intriguing oak nuances. It finishes as it started and without pause - vibrant fruit flavors, silky tannins, and underlying oak nuances. True to form, it displays the power and elegance that is so characteristic of this vineyard.

Enjoy with rich meat dishes and cheeses.

We recommend decanting and allowing to rest ahead of service if intending to drink within two years of the release date. You should otherwise feel comfortable cellaring this wine for 15 – 20 years.

ABOUT ELYSE WINERY:

Winemaking is cooking without a flame. Our winemaking philosophy at Elyse in Napa Valley is similar to the approach of a great chef who carefully prepares artisan grown ingredients to bring each layer of flavor to the table. Long term alliances with our growers form the cornerstone to our portfolio of vineyard driven wines that possess an unfaltering affinity for pairing with food.

“A meal with wine is dining – it’s a conversation, an event. It’s what wine is all about.”

– Ray Coursen, Winemaker & Owner
